Dear Valley Stream 30 School Community,

Budget Forum

Please remember to try to attend the Budget Forum at 6:30 p.m. on January 12, 2011 at Shaw Avenue Library. If you click on Budget Forum on the home page of our website, there is a link to further information. You can also email us there that you are planning to attend. Knowing numbers ahead of time will help us with planning the number of tables we will have for the roundtable discussions. At the Budget Forum you will have the opportunity to learn about the specific cost of programs, current revenue projections and to express your ideas regarding what should be priority items for next year's school budget. If you are not able to attend, we are working on providing an online opportunity for you to participate in sharing your input.

WebWorks

If you and your children are looking for something to do over the holiday season, don't forget to check out WebWorks on our website where you will find many fun, educational online activities. Go to the "For Students" section and then click on WebWorks. Without leaving your living room you can visit the Louvre Museum in Paris or tour the Art Institute in Chicago, as well as play Math games and explore ELA, Social Studies and Science activities and projects, among other adventures.

I wish all a joyous, peaceful holiday, warmed by family and friends... Happy New Year!

As always, please contact me at 516-285-9881 Ext 222 or email ekanas@vs30.org with comments and suggestions on the topic of this newsletter or with suggestions or questions on other topics.

Sincerely,

Elaine Kanas
