EARTH DAY

Forest Road celebrated Earth Day in many different ways today. Some classes researched the Earth and its changing climate, some took Nature Walks, some studied ways to become more green and some Our entire school community participated in ZERO WASTE DAY which was initiated by Mrs. Horowitz. She challenged all classes to compete to see who could have the least amount of trash at the end of the day. Welcome Back...

Ms. Colleen Dash, who has been on an extended leave, will be joining us once again on Monday, April 19th. The children are overjoyed, as are we, about her return! We must extend our deep appreciation to Ms. Lori Spina for the fine job she did in Ms. Dash's absence. Ms. Spina dove right in at the end of our winter vacation and spent countless hours of her own time, preparing and planning with Ms. Dash so that instruction would not be interrupted. These two professionals have continued their collaboration over the past few months so that Ms. Dash is well-versed in the current happenings in the classroom. We are very lucky to have these committed educators as part of our school community!

Lost and Not Found

Please clearly label all of your child's clothing so that in the event it gets misplaced, we can return it to you. With the warm weather, jackets, sweaters, coats, etc. find themselves tossed aside and lost in the enthusiasm for play. It is also important to remember that the office is often the place you can locate missing jewelry, glasses, money and other items. Please check with our wonderful office staff if your child is missing something important.

Sojourner Truth, Bessie Coleman, Eleanor Roosevelt and Michelle Obama, just to name a few. The contributions of these women have added to the quality of our community as a whole. Over time, our History has been changed by these, and other powerful women. They should be held as positive role models to our young people!

Oh, Go Fly a Kite!

Ms. Wood's class spent some time outdoors yesterday flying kites. Sounds like fun you say?! Of course it was, but it was also a worthwhile educational experience. The children had learned about measurement, following directions to build their kites and making predictions. There was also a culminating task where the children had the opportunity to share their experience through writing. This

A question and answer session is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition or you can summarize some generic questions that are frequently asked about your organization.

A listing of names and titles of managers in your organization is a good way to give your newsletter a personal touch. If your organization is small, you may want to list the names of all employees.

fer your readers to any other forms of communication that you've created for your organization.

You can also use this space to remind

readers to mark their calendars for a regular event, such as a breakfast meeting for vendors every third Tuesday of the month, or a biannual charity auction.
