November 26th & 27th

## A Message From the Administrators... Health Tips

American Education Week is on it's way. You will have an opportunity to walk through the hallways into classrooms to enjoy a lesson with your child. This year we invite you to join us on Thursday or Friday, November 19th & 20th. Your child's classroom teacher will inform you of specific times available for you to visit.

The school year is progressing very quickly. We have been fortunate to have warmer weather throughout the beginning of the school year. There have been so many opportunities for our children to enjoy it. As the weather will get

### Building Level Team

We would love to hear from you! Share your comments about the first Fall Festival and suggestions for the future. You can jot a note and place it in the BLT box at the front of the building or send an email to the following email address:  
shawblt@gmail.com.

colder, here are some things to be reminded of:

- The children **will** line up outside in the morning and **will** go outside for recess, if the temperature with the wind chill is 32° and above.
- Consider dressing your child in layers.
- Encourage your child to wear a coat, hat, and gloves.
- If your child has a cold they will be expected to go outside during recess.

Thank you for your continued support.

There are everyday actions that can help prevent the spread of germs that cause respiratory illnesses like influenza. Take these everyday steps to protect your health:

- \* Cover your nose and mouth with a tissue when you cough or sneeze.
- \* Wash your hands often with soap and water.
- \* Try to avoid close contact with sick people.
- \* Avoid touching your eyes, nose or mouth.
- \* If you get sick with influenza, CDC recommends that you stay home from work or school.
